A Theft Deterrent

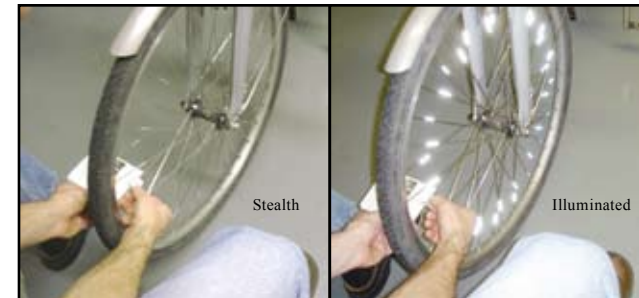

No one needs to know how expensive your components are except you. Conceal those Hi-end names and logos from would-be thieves with Lightweights™.

Anything is Possible

Heading out with loved ones or all by yourself into a dark and gloomy day with a black umbrella is just not very bright. Be bright, Be seen with Lightweights™.

Lightweights™ keep your Bike Beautiful

Lightweights™ are hardly noticeable until hit with a beam of light. So your really expensive, fancy bike maintains its beautiful appearance with Lightweights™.

Have fun, be seen, be courteous and be safe.

Thank you and enjoy.
